Transmittal of Letter

ACTION REQUIRED - REFERENCES

Transmitted under separate cover is a letter that was given to me by Identity who asked that it be sent to Chief, JKLANCE. I have had only one previous contact with Identity and that at the time of my predecessor's departure. Identity was asked about the contents of the letter, and he said it was a request to call on Chief, JKLANCE during a forthcoming visit to WOCORK which Identity plans for January and February 1971. I had no indication from Identity's manner (which was friendly enough) that he had anything specific he wished to raise. I suggest the letter be passed to Chief, JKLANCE with the above comments.
